Public transit

Taking the Massachusetts Bay Transportation Authority (MBTA, known locally as the "T") is a great option for getting to HDS. The closest T stop to HDS is the Harvard Square stop on the red line. The Harvard Square station has several exits; once above ground, look for the gates of Harvard Yard and follow our walking directions from there.

Walking from Harvard Square

The Harvard MBTA subway stop is located in the center of Harvard Square. From Harvard Square, walk northeast across Harvard Yard, where you will come across an open plaza with the Science Center on the left; walk through the plaza to Kirkland Street.

To reach Andover Hall, stay on Kirkland, proceeding past Divinity Avenue, to Francis Avenue, and turn left on Francis. Andover Hall will be on the left side of the street, at 45 Francis Avenue. The Sperry Room & all conference venues are located in Andover Hall; come in through the main entrance in the center of the building.

Parking

Some parking is available in various areas near the HDS campus.

There is limited metered parking available:
